We hereby appoint BidURenergy, Inc. and its authorized bill auditing service partner as our agents to:

- Conduct an audit of our natural gas, electricity, water, sewer, cable and/or telecom
- Secure all information needed to complete thorough utility bill audit(s) including, but not limited to, utility/utilities and supplier account information, billing information, usage data, and contracted rates and terms.
- Contact our utility/utilities and third party energy supplier(s) on our behalf.
- Negotiate with our utility/utilities and third party energy supplier(s) to secure savings, adjustment(s), credit(s), and/or refund(s) (hereinafter referred to collectively as "Savings") on our behalf. All Savings will be payable to us and not BUE.

Utilities: Please select the "utilities" you wish to include in the audit:

Electricity ☐ Natural Gas ☐ Water/Sewer ☐ Telecom ☐ Cable ☐

Savings: Savings may come from (1.) *Overcharges*: refunds, credits or rebates for prior overcharges, billing errors or costs in excess of those permitted by applicable contracts, tariffs, statutes, rules or regulations; or (2.) *Future cost reductions*: reductions in future costs resulting from services and analysis of BUE and/or its agent(s).

Costs of Services: **If we do not receive refunds, credits, or reductions in future billings, there will be no fee for BUE services.** Otherwise, for "overcharges", the fee to BUE is 50% of realized Savings received by us as a direct result of services rendered; for "future cost reductions" the fee to BUE is 50% of realized savings each month for a period of 24 months (BUE will document actual monthly savings). Payments are due to BUE within two (2) weeks of our receipt of Savings from the utility/utilities and/or third party supplier(s). Acceptable methods of payment include check, money order, or wire transfer (payable to BidURenergy, Inc.).

Confidentiality: BUE shall maintain our account information in strict confidence. BUE shall only share information with authorized parties for the purpose of executing services related to this agreement. BUE shall protect our confidential information using the same care and discretion that it uses to protect its own confidential information, but not less than a reasonable standard of care.

Miscellaneous: (a.) The term of this agreement shall be twelve (12) months from the date of execution and will automatically renew in six (6) month increments if BUE or its agent(s) are actively working on our account. If this agreement is terminated, for any reason, BUE is still entitled to its fee for any savings achieved in accordance with the above provisions; (b.) BUE is not a third party supplier or a utility; (c.) BUE is not acting as legal counsel. (c.) BUE has made and makes no guarantee or assurance of any credit or refund amount or cost saving results.
